Brief History of the Oberammergau Passion Play and GTA Tours Experience in Handling Group Arrangements

The first Passion Play took place in a meadow in 1634 with the parts played by local villagers. The deadly and contagious disease known as the Black Plague had broken out in Europe, but one town in the south of Germany escaped: Oberammergau. The townspeople of Oberammergau made a vow that if they were spared, they would give a play about the "Passion of Christ" every ten years. The fact that they were saved remains one of the most amazing mysteries in history. The tradition remains to this day, with all of the roles played by locals. The last performances were held in the year 2000 to sold out crowds from all over the world. Now preparations are in full swing for 2010!

The village Oberammergau is a fantastic tourist destination every year. It has breath-taking alpine scenery, a clear, healthy climate, excellent food, comfortable accommodations, lovely paths for strolling, outdoor cafes, wine cellars, cultural events such as concerts and opera performances.

GTA Tours has custom designed Oberammergau Passion Play itineraries for Catholic organizations nationwide since 1984. We go directly to the source to order play tickets and accommodations from the Oberammergau Committee. Our preparations for the travel season in the summer of 2010 are under way and we urge leaders of groups interested in attending the 2010 Passion Play to set a date and contact us today before tickets go on sale!
